

# International Baccalaureate

UAHuntsville recognizes International Baccalaureate credit with a grade of five, six, or seven on the higher-level examinations.

For students who have taken the standard level exam AND have completed the IB diploma, credit will be determined by individual departments. Students should apply for credit through the Registrar's Office.

The maximum credit obtainable by examination through all programs is 32 semester hours.

# Advanced Placement Program

UAHuntsville awards credit to students who have earned designated scores on Advanced Placement (AP) examinations of the College Entrance Examination Board.

Awarded credits are recorded without grades or quality points, so they are not included in GPA calculation. AP credit is evaluated based on score reports directly from the testing agency. Scores presented on transcripts from other institutions cannot be evaluated. Official scores may be requested at <http://www.collegeboard.org>. UAHuntsville AP code: 1854
